

Dear Glen.

We sincerely thank you and 21st Century Tours for arranging a fantastic tour of Sri Lanka. Sebastian, myself and my friends were impressed with the high level of expertise exercised in organising our travel needs. You clearly have great knowledge and expertise when it comes to organising tours and we definitely benefited from this. You / 21st Century Tours excelled in the set up of the itinerary, to arranging the tours, hotels, transport, cuisine and entertainment. We were never bored the trip was full of excitement and happiness from the time we set foot into Sri Lanka.

We were very well looked after by your nominated driver Gerard who was at the airport on our arrival and made sure we were looked after the whole time until our departure. He was a very safe and good driver with a wealth of information who went out of his way to make our trip comfortable and memorable.

We cannot thank you enough for organising this wonderful trip covering the Temple of Tooth, The Dambulla Cave Temple, The Sigiriya Rock, Anuradhapura to the Tea Plantations in Kandy and the Elephant ride. We enjoyed every second of it, but with your knowledge and guidance the whole experience was breathtaking and we are so grateful that we were a part of this beautiful culture and this is without doubt a trip we will never forget and that is all thanks to you and your company, you gave us 200% satisfaction.

It is without hesitation that I recommend my family, friends and the community to contact You / 21st Century Tours to organise their holiday/tour of Sri Lanka as I have the utmost confidence in your ability to deliver a unique, exciting and cost effective package, I would definitely love to get back there again someday soon.

Cheers.
